Notification

In pursuance to the decision of the head of the Departments meeting held on 29.06.2026 and subsequent approval of the Hon'ble Vice Chancellor the guideline regarding marking pattern for internal assessment Undergraduate and Postgraduate programmes mention as:

Guidelines of Marking Pattern for Internal Assessment of Undergraduate and Postgraduate Programmes:

The Internal Assessment Examination pattern for Undergraduate Programmes as mentioned below:

Continuous Formative Evaluation/ Internal Assessment

Total marks for each course shall be based on continuous assessments and semester-end examinations. As per the decision taken in the Academic Council, it is necessary to have a uniform pattern of 30:70 respectively for IA and Semester End theory examinations and 50:50 for IA and Semester End practical examinations, respectively, in all the University and its Affiliated Colleges.

Total Marks for each course	100%
Continuous assessment (C1)	15% marks
Continuous assessment (C2)	15% marks
Semester End Examination (C3)	70% marks.

The Evaluation Process of IA Marks will be as Follows:

- The first component (C1) of assessment is for 15% marks. This shall be based on the test, assignment, seminar, case study, field work, project work etc. This assessment and score process should be completed after completing 50% of the syllabus of the course/s and within 45 working days of the semester programme.
- The second component (C2) of assessment is for 15% marks. This shall be based on test, assignment, seminar, case study, field work, internship / industrial practicum / project work etc. This assessment and score process should be based on completion of the remaining 50% of the syllabus in the courses of any semester.

- c) During the 17th – 19th week of the semester, a semester end examination shall be conducted by the University for each Course. This forms the third and final component of assessment (C3) and the maximum marks for the final component will be 70%.

Outline for continuous assessment activities for C1 and C2
